[0001]

25 March 1865

My Dear M<sup>r</sup> Murray

Sheet B which I

return today must be

perfect except two

words in page 12.

I was the Skipper

I keep one copy of

6<sup>th</sup> Revise for reference

A doubt has arisen

in my mind whether

I pointed out in

page 35a that the two

lines at the beginning

of the chapter should

be transferred to

[0002]

middle of 28<sup>th</sup> line of

page 35a - the lines

begin with "The steamer

returned from the bar &c

Again page 54 which I

enclose [corrected] lies on

my mind.

Again on page 50

I think the name of the

stream is wrong & I

leave it out but insert

in the slip ~~two and the~~ a date

and place filed by

astronomical observation.

[0003]

I send appendix

that it may be seen

what is the Archbishops

and what is mine

& quotation marks

put in where

needed

The corrections or

additions sent  
I think have been  
put in very  
nicely. I should  
like Owen to see  
about the elephants  
between pages 70 & 80  
I think

[0004]

I have recieved  
pages 83 & 89 & will  
soon have them  
ready

I am &c

David Livingstone
